Join via WebEx for an interactive discussion on “The Age of Digital Interdependence,” final report of the High-level Panel on Digital Cooperation

Following nine months of consultations with governments, the private sector, civil society, international organisations, academia and technical communities worldwide, the Panel’s report paints a picture of the interconnected nature of digital technology and policy impacts, and makes 5 recommendations for shaping our common digital future.

Presentations of the report & commentary from Panel members:

- Cathy Mulligan
- Nanjira Sambuli
- Danny Sriskandarajah
- Facilitated by Dr. Jovan Kurbalija
